

ZEDrod KILL

ZEDUM PHARMA

COMPOSITION

Bromadiolone 0.005% RB

A synergistic blend of Bromadiolone, food-grade cereal attractants, edible bait base, stabilizers, and performance enhancers formulated for effective rodent control.

BENEFITS

- Effective rodenticide for control of rats and mice in poultry farms, feed mills, warehouses, storage areas, and commercial premises.
- Highly effective against Roof Rats, Common Rats, House Mice, and Bandicoots.
- Fast acceptance bait formulation helps achieve excellent rodent control on first application.
- Contains 0.005% Bromadiolone in a specially formulated grain base with strong attractant properties.
- Ready-to-use formulation suitable for indoor and outdoor rodent management programs.
- Powerful second-generation anticoagulant rodenticide for reliable and long-lasting control.
- Helps reduce contamination, feed losses, and damage caused by rodents in farm and storage environments.
- Easy placement and convenient application for professional pest control management.

STORAGE

Store in a cool & dry place. Keep drum tightly closed to maintain product integrity.
